**Adjustments to our Rate Structure & Service Minimums  
Effective January 1, 2007**

I would like to inform you that effective January 1<sup>st</sup>, 2007, our hourly service rates will be changing:

<b>IT Service</b> ( <i>In-house and On-site</i> ):	<b>\$110.00</b>
<b>Consulting and Development</b> ( <i>Software &amp; Website</i> ):	<b>\$135.00</b>
<b>VOIP Service</b> ( <i>In-house and On-site</i> ):	<b>\$150.00</b>

This represents a small increase over 2006 rates and is required to keep pace with increased costs. Any work booked prior to January 1<sup>st</sup>, 2007 will be performed at the existing 2006 rates. Any quote issued prior to January 1<sup>st</sup>, 2007 will be honored for 30 days from the date of the quote, unless prior arrangements have been made. Existing service contracts will not be affected by this increase.

In addition, I would like to explain on our service minimums:

**In-house Service:**

<b>Bench Hardware Service</b>	<b>.5 hour</b>
<b>Telephone HelpDesk &amp; Remote Support</b>	<b>.25 hour</b>

**On-site Service:**

<b>Stony Plain, Spruce Grove, and Acheson Park</b>	<b>1 hour</b>
<b>Greater Edmonton area</b> <i>(including Sherwood Park, Nisku, &amp; Leduc)</i>	<b>2 hour</b>
<b>Outside Greater Edmonton*</b>	<b>4 hour</b>

\* Travel (\$45.00/hour) & Mileage (\$0.50/KM) charges also apply, calculated from Stony Plain

Clients with existing service contracts may be exempt from service minimums depending on the specific terms of the contract. Annual service contracts are an excellent way to reduce costs by offering pro-active or pre-defined service at more attractive rates.

I would encourage you to contact your account representative (Jason Vance, Brad Molcak, or Bradley Siddell) or me should you have any questions. We look forward to serving your Information Technology needs in 2007.

Sincerely,

Dave White, General Manager
